MILWAUKEE, WI— As a part of the Community Briefing Series, the Milwaukee Police Department (MPD) is releasing relevant information regarding an officer involved shooting that occurred on Monday, November 14, 2022, on the 2300 block of North Booth Street.

The Community Briefing video series was created by MPD to promote transparency and accountability with the public and to provide relevant information about critical incidents. MPD's goal is to continue to release relevant video regarding critical incidents within a reasonable amount of time after the incident unless releasing such video would jeopardize the integrity of the investigation.
