MPD Releases the 2023 Violent Crime Plan

MILWAUKEE, WI – Today, Thursday, March 9, 2023, the Milwaukee Police Department (MPD) announced the release of the 2023 Milwaukee Police Department’s Violent Crime Plan.

The Violent Crime Plan is intended to continue to promote transparency and provide an overview on our public safety efforts related to mitigating violent crime. This Plan reveals and highlights ongoing and new initiatives that MPD utilizes or intends to utilize to prevent, respond to, and reduce violent crime in our neighborhoods. This plan is continuously evolving as crime trends shift, priorities change and new initiatives and ideas are explored.

To be clear, MPD is committed to mitigating all crime and indeed has strategies in place for other priority crimes like reckless driving, human trafficking, auto thefts and robberies. This Violent Crime Plan; however, is an overview of our targeted efforts to address violent crime.

The Milwaukee Police Department is committed to working with our community and system partners to build sustainable neighborhoods free of crime that are built on positive relationships.
