Milwaukee Police Department Community Briefing March 24th, 2024, Officer Involved Shooting

MILWAUKEE, WI - As a part of the Community Briefing Series, the Milwaukee Police Department (MPD) is releasing relevant information regarding the officer involved shooting that occurred on Sunday, March 24th, 2024, on the 6400 block of West Sheridan Avenue.

The Community Briefing video series was created by MPD to promote transparency and accountability with the public and to provide relevant information about critical incidents. MPD's goal is to continue to release relevant video regarding critical incidents within a reasonable amount of time after the incident unless releasing such video would jeopardize the integrity of the investigation.

Pursuant to the Milwaukee Police Department's Standard Operating Procedure, a critical incident that involves the death or great bodily harm of a person will be investigated by an outside and independent law enforcement agency. The incident is being investigated by the Milwaukee Area Investigative Team and the Wauwatosa Police Department is the lead agency.

The officers remain on administrative duty pending the outcome of the investigation.

Viewer discretion is advised. To review the video, please click on or go to the link:
<https://youtu.be/VyFZumg5Qm0>

In addition, in response to community requests for unedited body worn camera footage of officer involved incidents, MPD is supplementing the community briefing by providing a link to the body worn camera footage of the incident that is redacted to protect identities of victims but otherwise unedited. For unedited body worn camera footage, please click on or go to the link: <https://youtu.be/nw0M86aKRD8>
