## About this Guide

Since 2008, the Milwaukee Public Schools Homeless Education Program has provided the guide known as *A Parent's Guide to Community Resources in Milwaukee*. In 2020, this publication is renamed a *Milwaukee Area Guide to Community Resources*.

We continue our goal of helping families and youth experiencing homelessness navigate the abundance of resources offered in the Milwaukee area by compiling relevant services in a portable format. We make sure that all the resources included in our guide are directly accessible by the parent or youth without a referral from another person, program, or organization.

*To ensure you have the most accurate and current information regarding the services and resources in this guide, we recommend:*

- ✓ Check the agency/organization website.
- ✓ Call the phone number listed to confirm the information with staff or their recorded message.
- ✓ Check with Impact 211 if you cannot get the information directly from the agency online or via phone. 211 info can be accessed the following ways:
  - Search the resource directory online at [www.211wisconsin.communityos.org/](http://www.211wisconsin.communityos.org/)
  - Dial 211 from your cell/mobile phone or landline anywhere in Wisconsin. Or call 866-211-3380.
  - Chat with a live specialist via the website Monday – Friday, 9:00 a.m. to 5:00 p.m.
  - Text your zip code to TXT-211 (898211).

The 8th edition of this guide was revised during the COVID-19 pandemic. Information continues to change due to the impact of COVID-19 on our community. Please email **hepplanning@milwaukee.k12.wi.us** if you find information that is no longer correct and we will make those changes.

### Important Information Related to COVID-19

### **Resources for Bullying**

Bullying can permanently impact a child's self-esteem, confidence, and education. If you think a child is being bullied, talk to the child or an adult who can help. No child should have to suffer because he or she is being bullied.

### **The Difference between Tattling and Reporting**

Students are often afraid to report what they see because they are afraid they are tattling. Children should understand the difference between tattling and reporting so they can take action when needed. Tattling is usually defined as trying to get someone else in trouble. Reporting is defined as getting help to protect someone who is being hurt or is in a dangerous situation.

### **How Families Can Help**

- Talk to your child about bullying. Help your child understand what it means to be bullied.
- Explain the difference between tattling and reporting to your child. Encourage your child to report any actions that appear harmful or dangerous.
- If you see or hear about bullying at school, tell a teacher, administrator, school psychologist, social worker, or counselor.
- Download the KnowBullying app from SAMHSA.gov
- Be aware that bullying can take place through technology, especially phones and social media, and be prepared to take steps if your child is bullying or being bullied.

**For more information about bullying, try these free resources.**

### MPS International Newcomer Center

[www.mps.milwaukee.k12.wi.us/en/Programs/International-Newcomer-Center.htm](http://www.mps.milwaukee.k12.wi.us/en/Programs/International-Newcomer-Center.htm)

Milwaukee Public Schools offers a newcomer program designed for recent refugee and immigrant students with limited English-language proficiency. The program provides instruction to students in Grades 5–8. Classes feature intensive English language development and cultural support in a focused academic environment. Classes are aligned to state standards.

The center is located in the Milwaukee Academy of Chinese Language (MACL). After two years, students continue their education at MACL or make a smooth transition to a school of their choice.

MPS has an English as a Second Language (ESL) support teacher who connects with any school where newcomer students are placed. This teacher meets with school teams to ensure ongoing resources and a successful transition for students.

Newcomer resources are available for schools with refugee and immigrant students. For information, contact Sarah Borges, ESL Curriculum Specialist, at [borgess@milwaukee.k12.wi.us](mailto:borgess@milwaukee.k12.wi.us) or (414) 475-8732.
